Dear Members and Fellow Golfers,

We now have a new Club Constitution.

On Monday, November 1st, at an Extraordinary General Meeting, the Membership voted to support the introduction of the new Constitution.

We will now proceed to the Annual General Meeting on December 6th under the new Constitution.

This represents an important stage in the Club's development.

- Director's terms will now be for two years, rather than one.
- The Treasurer's position will now be elected rather than appointed
- Mid-week categories will be removed
- Votes will not be destroyed after counting

The Board would like to thank the Committee that worked on the revisions, Graham Markey, Bill Kelly, David Fink and Michelle Vernon.

The new Constitution is one of a number of tasks undertaken this year, on the Course, in the Club House and within the Community.

We now have a 21-year lease on an 18-hole golf Course which means that we can commit to an ambitious agenda of improvements

Club House Improvements -

- New roof
- Re-cladding of exterior
- Re-carpeting of Clubhouse
- Re-painting of Clubhouse - interior and exterior
- Re-building Committee room
- Refurbishing poker machine facilities
- Refurbishing Kitchen
- Upgrade of Golf Management System
- New website
